## HAD NERVOUS BREAKDOWN

But Health Was Restored to Texas Lady Who Is Now Well and Strong and Able to Do All Her Housework and More.

Rosebud, Texas.—Mrs. Annie Lange of R. F. D. No. 4, this place, writes as follows regarding her experience with Cardui: "Some time ago I had a nervous breakdown of some kind. I was very weak, and so nervous. It all seemed to come from trouble, for at first I had fainting spells and suffered a great deal, but more from the weak, tremble, no-account feeling than anything else. I knew I needed a tonic, and needed it badly.

"I began the use of Cardui, to see if I couldn't get some strength, as I knew of other cases that had been helped by its use. I felt better. I soon saw a great improvement, so kept it up.

I used seven bottles of Cardui, and can say the money was well spent, for I grew well and strong. Now able to do all my house work and a great deal of work besides."

If you are run-down, weak, nervous, and suffer from the ailments peculiar to women, it is very likely that Cardui will help you, in the way it has helped thousands of others, during the past 40 years.

Take Cardui, the woman's tonic.—Adv.

## COPS NOT QUITTING

Chief Allen Denies Reports That His Patrolmen Are Resigning Since Recent City Election.

The present police force will continue to police the city physically without any desertions from the ranks in spite of the propaganda that has been going on to make it appear that practically all the members are preparing to quit. According to a statement made by Chief Allen, police chief yesterday.

"The men are absolutely loyal to the city," asserted the chief. "Most of them have served the city through two or more administrations and these especially have never forsaken their post of duty previous to a change of administration. The new men are willing to abide the decision of the new heads. None are therefore worrying about their jobs."

Opinion around the station is to the effect that the reports of dissatisfaction are being disseminated by one or more of the policemen who feel reasonably certain that their own heads are going to be lopped off.

Asks Damages and Title. Damages of \$500 and clearing of the petitioner's title to property described as northwest one-fourth of northwest one-fourth section 22-12-10, Tulsa county, was asked in a suit filed in district court yesterday by H.
